

EMBRACING JUSTICE

Do you wonder what justice means to God, or how, as Christians, we might embrace justice ...

We invite you to:

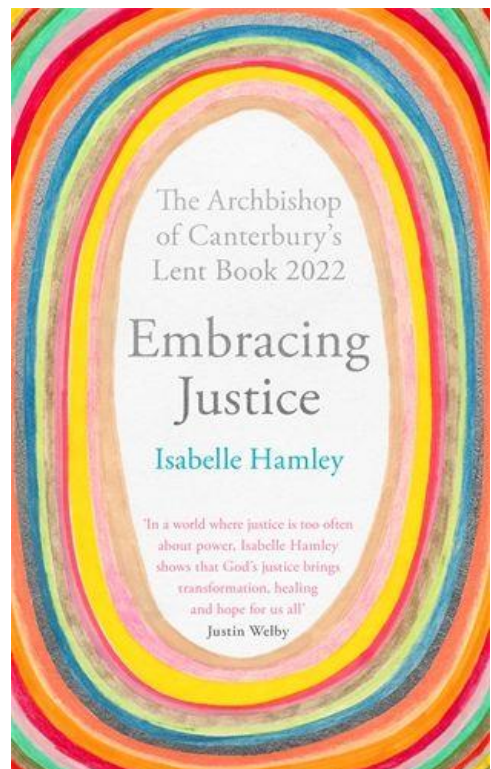

Read individually ...

Read in a group ...

Read together in Lent ...

We take this opportunity to encourage members of the Circuit to read this book by Dr Isabelle Hamley, the Secretary for Theology and Ecumenical Relations and Theological Adviser to the House of Bishops. She was previously the Chaplain to the Archbishop of Canterbury,

We hope this reading will support the Circuit Meeting's commitment to keep matters of justice on our agenda at every meeting, and encourage individuals and local churches in their thinking.

We know some groups will be reading this book together over the next few weeks. If you are reading alone, but would value the opportunity to talk with others on a one-off basis then you may like to join Revd Rach or Revd Jo and others in Holy Week:

Tuesday 12th April 2022 7pm at Wesley Road Chapel with Revd Rach

Wednesday 13th April 2022 7pm on Zoom with Revd Jo
